Docket No. 98N-1265 6388 99 MAY 24
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

My medical condition
requires me to be on
medications which are
medically necessary - these
medications must be compounded
due to a severe allergic
condition - I do not tolerate
dyes & fillers in prescription
drugs - I have 8 prescription
compounded.
